# Student Progression to higher education

# SWOC analysis

## Strength

- Cordial Teacher-Student Relation
- Supporting weaker students through remedial and tutorial classes
- Organisation of workshops and seminars

## Weakness

- Limited opportunities for research collaboration
- Shortage of sectioned post holder Teacher.
- Limited resources at departmental library

## Opportunities

- Easy access to competitive examinations.
- Higher education opportunities.
- As envisaged in NEP 2020 the Demand of the subject is expected to get a lift in the near future.

## Challenges

- Securing research funds
- Students from vernacular background
- Creating awareness about digital learning
- Insufficient time per semester in completing the syllabus
- Poor financial condition of the students

# **Future plans**

- To create more gender sensitive environment.
- To conduct maximum number of student seminars.
- To conduct life skill development programs regularly after the class hours.
- To improve political science lab with charts, models and systems.
- To undertake various field survey in different political aspects.
- To train the students for job opportunities in details.

In conclusion, the Department stands as a testament to the power of collaboration, innovation and unwavering dedication, propelling us towards a brighter future where excellence knows no bounds

# **THANKYOU**
