The education endeavour begins

The Department of Political Science was established on 29th November, 1981 with the first batch of students in H.S. level. The college introduced Political Science as a subject in degree level from the session 1984-85. The major course was introduced during the academic session 1987 with 4 numbers of students enrolled as the first batch and 100% of them successfully passed in 1989.

Late Prof Padmakanta Bhattacharaya was the founder teacher and the Head of the Department. Dr. Anubha Boruah and Surabhi Saikia were founder teacher of the Department.

Over the years, the department had been served by a number of teachers who performed in many other fields also.

- Dr. Gonesh Chandra Borah had been served in the department since 1987 to 2022.
- Dr. Nanda Kumar Sahu had been served in the department since 1989 to 2022.
- Dr Barnali Saikia had been served in the department since 1988 to 2022.

The present Head of the Department (In charge) has been entrusted to Dr. Rajen Borah, HOD of the department of Sociology.

At present Miss Puja Das, Miss Bonnya Phukan and Miss Manashi Boruah have been working as a contractual faculty in the Department.

❖ Vision

- To import quality education in political science to rural and economically weaker students.
- To create interest to opt for political science as a major subject in higher education.
- To make the students creative and research oriented.
- To raise the standard of our students and make them employable.
- To provide a platform to the students to exhibit their talents & creativity.

Mission:

- To encourage self evaluation, personality development and guide the students to strive towards perfection and competence.
- To provide education not only to acquire knowledge but also to inculcate a sound philosophy for a holistic living.

For slow and fast learner

The Department take initiative for the proper guidance through:

- Offer advanced or supplementary materials and assignment to challenge fast learners and cater to their higher abilities
- Encourage fast learners to pursue independent research projects or self study to explore their interests further
- Assign fast learners as mentors to support and assist their peers who may be struggling with certain concepts
- Provide flexibility and autonomy in their learning process, allowing them to explore topics of interest and work at their own pace

❖ Institutional values and best practices

Association for political science studies

- Political Science Association (PSA) was constituted in the year 1996.
- Since its inception, the Association has been functioning actively and effectively and has successfully organized a number of student friendly programmes.
- Besides, the Association has been successful in publishing departmental student's oriented magazine since 2005. A number of academic field trips has been organized under the banner of the Association in the different areas for the benefit of students.

Department Library

- The Departmental Library came into existence in 2003.
- It lends books and other reading materials to the students and facilities from 2003 onwards for the period of fortnight.
- Question Papers of Final/ End Semester Examinations are kept in the Departmental Library for the students.
- For the effective management of the Departmental Library a stock book has been maintained where the detail name of the books, name of the writers, publisher's address, edition and price rate are recorded. The issue register has also been maintained for the students and teachers if they lend the books from the Departmental Library.

At present the total number of books in the Departmental Library is follows-

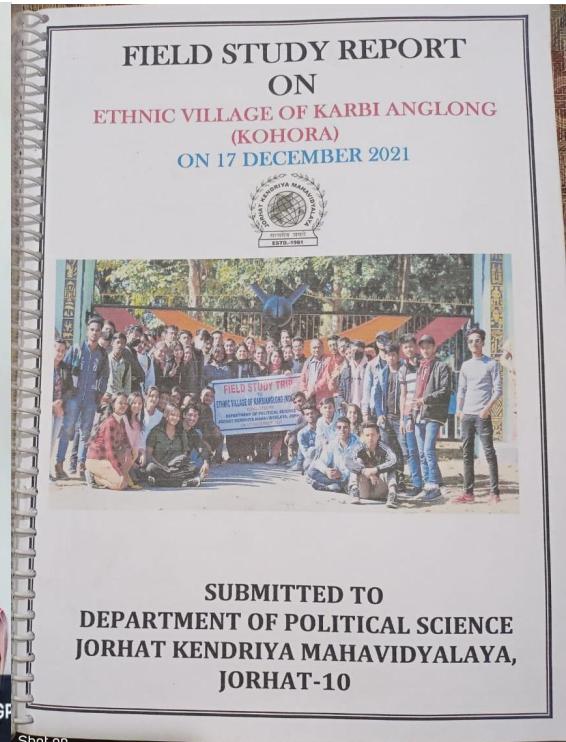

- 1) Text books: 64 copies
- 2) Reference books: 162 copies
- 3) Journal: 36 copies
- 4) Departmental Annual Publication: 142 copies
- 5) University Question Papers: 305 copies

❖ SWOC analysis

Strength

- Cordial Teacher-Student Relation
- Supporting weaker students through remedial and tutorial classes
- Organisation of workshops and seminars

Weakness

- Limited opportunities for research collaboration
- Shortage of sectioned post holder Teacher.
- Limited resources at departmental library

Opportunities

- Easy access to competitive examinations.
- Higher education opportunities.
- As envisaged in NEP 2020 the Demand of the subject is expected to get a lift in the near future.

Challenges

- Securing research funds
- Students from vernacular background
- Creating awareness about digital learning
- Insufficient time per semester in completing the syllabus
- Poor financial condition of the students

❖ Future plans

- Creating more gender sensitive environment.
- To conduct maximum number of student seminars.
- To conduct life skill development programs regularly after the class hours.
- To improve political science lab with charts, models and systems.
- To undertake various field survey in different political aspects.
- To train the students for job opportunities in details.

In conclusion, the Department stands as a testament to the power of collaboration, innovation and unwavering dedication, propelling us towards a brighter future where excellence knows no bounds
